Fulfillment Of Dreams

People's highest of ambitions and desires are to fulfill dreams of happiness, fame, and fortune. Only by constant work and study can we obtain these much sought after dreams and plans. We must follow three rules to enrich our dreams of the future: work hard, follow the golden rule, and give credit to whom credit is due. Knowledge and understanding are the greatest assets to assist us in obtaining dreams.

We Humbly Dedicate

Their ready wit, and humor have made them a friend to each of us. In admiration and respect, and in recognition of their loyal service to the senior class, their personal integrity, their broad vision, their loyalty, faithfulness, and easy going manner, we, the class of 1959, dedicate this book with pride to our senior sponsors: Mrs. Hill, Mr. Greer, and Mr. Spratt.

In reminiscing over the past months, about all I can remember seem to concern the many hours which I have spent with some very fine people. To all of you, to everyone who contributed to the '59 Cardinal, be proud of your creation. Many of you have allowed grades to fall, yet, have given unselfishly of your energy. The pictures are yours; the copy is yours; together we have built a yearbook. Working with all of you has been a most enjoyable experience. Thanks to each of you for making it so.

Board Of Education

We wish to thank the Board of Education for the unselfish interest and leadership they have bestowed upon us during our high school years. The things that they have helped us to accomplish will serve as an ever-present inspiration to us to strive for greater achievements and goals in the future. We sincerely wish to thank these self-sacrificing men for all their contributions to our high school education. Members of our Board of Education are Paul DeLap, President; Earl Hunt, Secretary; Guthrie Sutton, L. H. Bayley, R. J. Crunk, and Walter McEwen.

Class History

Four years ago, in 1955, seventythree greenfreshmen entered N.C.H.S. For our class officers we elected: Richard Hamilton, President; C.M. Awalt, Vice President; Peggy Farris, Secretary; and Barbara South, Treasurer. During that year we had a freshmen basketball team backed by the cheerleaders.

We entered our sophomore year with more confidence in ourselves in many ways. Our efficient class officers were Melvin Douglas, President; Bob Russell, Vice President; Connie Dillsworth, Secretary; and Emma Lou Orr, Treasurer. During that year we began looking forward to the Senior Trip. We engaged in many profitable projects to earn money for this trip. We were represented both in sports and cheerleading. Our sophomore year proved to be most successful.

A jolly set of juniors entered N.C.H.S. in 1957 and looked forward to a year full of worth-while activities: sports, the Junior Play, and leadership in organizations. For class officers we elected Melvin Douglas, President; Richard Hamilton, Vice President; Connie Dillsworth, secretary; and Bob Russell, Treasurer. This was a prosperous year for the juniors.

In our last year we are faced with new activities to attain the Senior Trip and hard studying to graduate, but even so we are gaining pleasure in doing them. We have elected capable senior officers: Pat Marlin, President; Brenda Hill, Vice President; Jeannie Carter, Secretary; and Carldeane Phelps, Treasurer. We are again represented in every field of all organizations. We are trying to prove that we are sophisticated seniors, yet in an unsophisticated way.

Student Council

The Student Council has completed another successful year as the student governing body. It acts as a strong link between the administration and the students. Their year has been made successful because they have worked hard and have had the cooperation of the students in everything that they have tried to do. This year the Norris City Council was well represented in the area by Sue Bryant, Treasurer. At this annual district meeting she was elected to the office of Treasurer. Trudie Kirk, President, and Bonnie Browning attended the State Convention which was held in Chicago. The all school party was the main social event sponsored by the Council this year. A faculty tea was another event sponsored by the council and designed to improve student-faculty relationship.

F. H. A.

The F. H. A. is sponsored by the home economics teacher, Miss Edna McCue. One semester of home economics is required for membership. The major activities are to send one representative to State F. H. A. Camp, sponsor a style shoe, each spring, and to take part in sectional activities.

The officer attended an Officers' Planning Meeting at Harrisburg this year. We hold our regular meeting each week. This year we had a formal installation during an assembly program.

Hi-Y

The Hi-Y is a branch of the Y.M.C.A. and is dedicated to the establishment of high Christian ideals among high-school boys. The organization is known throughout the world for its spectacular work in helping young men lead a cleaner, healthier, and more enjoyable way of life.

Each year new members get a chance to meet other people, to learn about their problems and how they solve them, and to take part in summer workshops, rallies, and district meetings.

Our group, sponsored by Mr. Blackman, has some sixteen members this year. The activities include participation in workshops, rallies, outings that are held in the spring, and a banquet which is held on the night of initiation. The financial problem is solved by the Hi-Y hat-check stand, which is operated at all home basketball games. This money is deposited in the club treasury and drawn upon whenever necessary.

Second Row: Donnie Raney, Mrs. Scott, Librarian; Pam Knight, Nancy Sutton, Mae Reta Healy.

Librarians

At the beginning of the school year nine student librarians were appointed to assist Mrs. Scott, the school librarian. This group served throughout the year and received awards on honors day. This year the staff gave much of their time and effort to maintain efficiency and did a creditable job in carrying out the functions of the library. Realizing the contribution of the library staff in helping us to find the books we need and want and for keeping the books in their proper places, we wish to congratulate the members of this group.

F.B.L.A.

The F.B.L.A. organization is sponsored by our commercial teacher, Miss White. The purpose of the club is to develop competent, aggressive business leadership; to create an interest in different business occupations; to encourage members to improve the home and community; and to improve and establish standards for careers in store and office occupations. Requirement of membership in F.B.L.A. is enrollment in at least one commercial class. The club selected a fine group of officers to serve during the year. They were Caroline Herron, President; Stella Catlin, Vice-President; Kay Lane, Secretary, and Treasurer. At the beginning of the year several new students joined the club. The major activity for the club this year was to edit a school paper *THE CARDINAL CHIRP*. This project enabled many students to work together. The money made from the sale of the paper was used for F.B.L.A. parties and other activities. The club was also responsible for presenting two assembly programs, one each semester.

F. F. A.

Future Farmers of America is an organization, founded in 1928 by Henry C. Groseclose. Their first national president was Leslie Applegate. Since then F.F.A. chapters and organizations have been extended throughout the 48 states, Puerto Rico, and Hawaii. It has become one of the largest organizations of its kind, numbering around ten to twelve thousand members per state. The F.F.A. motto is as follows: Learning to do. Doing to learn. Earning to live. Living to serve. The main objectives are to develop competent, aggressive, rural, and agriculture leadership; to strengthen the confidence of farm boys and young men in themselves and their work; and to develop character, to train for useful citizenship, and to foster patriotism. A member must be enrolled in vocational agriculture, be of high school age, and have a satisfactory farming program. The first Norris City F.F.A. chapter received its charter March 22, 1938. At that time there were only eighteen members, but now have forty-five. This organization participates in such contests as grain, livestock, soil judging, and parliamentary procedure.

Cardinal Chirp Staff

The high school newspaper is an important, if somewhat small, part of the school year. The school editions are looked forward to by students in high schools over the entire United States. Many countries do not enjoy the independent and battle-scarred right of "freedom of the press." Of course, without this, there can be no non-censored publically owned newspapers, let alone any student sponsored leaflets. The Norris City High School, having a newspaper and an editing staff complete with reporters, has used this freedom for a number of years. This news sheet is sponsored by the Future Business Leaders of America, which is composed of commercial students in their junior and senior years. The talented staff, selected from the club's active membership, functions for the newspaper throughout the school year. This working together as a group and cooperating with one another to accomplish the printing and publication of this newspaper provides valuable experience and preparation for the students. The benefits from this work, which may not be outstandingly evident now, will very probably be noticeable in the not too distant future.

Sportsman Club

The Sportsman's Club is a group of boys dedicated to the principles of (1) hunting safety, (2) hunting legality, and (3) hunting courtesy.

This group uses its knowledge and experience to promote interest in the finer points of sports. Because of its work with lagging interest in hunting safety, courtesy, and legal rules, hunting can be safer and much more enjoyable.

In addition to helping the present hunters, the Sportsman's Club helps to train younger boys who wish to learn the sport. These beginners are given a start in the direction of safety and courtesy.

The boys not only work for improvement in others but also continually strive for self-improvement. They work toward a more complete knowledge of laws for all hunters.

The Sportsman's Club members feel that they can view with pride their share of the improvement in hunting and feel that all their work has its reward.

G.A.A.

The Girls Athletic Association, sponsored by our physical education teacher, Mrs. Peggy Ripperdan, tries to promote interest in girls' physical training in recreation, health, and sportsmanship. Membership is open to all girls, and the physical education director shall be a member exofficio. The yearly dues is twenty-five cents. The G.A.A. either sends two girls to the state G.A.A. camp or uses its treasury funds for the benefit of the school. They conduct sports discussions, demonstrations, and recreations. The popcorn stand, operated by the group at all the ball games, is the major fund-raising project. The All-School Halloween party is usually sponsored by the G.A.A. During the year the organization participates in hikes, basketball and volleyball tournaments, and special parties. The upperclass members are eligible to attend Play-Day Activities, which are held each year at Carbon-dale. It is at this meeting that they can learn new basketball techniques and enter in many activities.

Choir

The choir has made several public appearances this year: in Christmas Cantata (The Highlight of the year), at the Union Thanksgiving Services, and at the White County Teachers' Institute. They also presented a Hillbilly Operetta.

Seven seniors will be making their last appearances with the choir this year: Ellen Doerner, Barbara Endicott, Jeannie Carter, Noel Jean Knight, Carldeane Phelps, Janet Stone, and Treva Kimmel.

The choir has had a most successful year.

Band

The Band has made progress this year by presenting half time marching and formations at the football games to promote and enliven the morale of the spectators. During the winter the band played at all of the home basketball games. In addition to this activity the band played in the Dairy Day and Corn Day festivities. There are three bands in the school this year. The Beginner Band is for those just starting in the world of music. The Intermediate Band prepares the students for the Concert Band, which does the actual public performing.

Majorettes

First Row: Ellen Doerner, Donnie Raney, Linda Harris, Connie Dillsworth, Trudie Kirk. Second Row: Ronnie Holland, Mary Ann Tarrant, Pam Knight, Donna Applegate, Ronnie Courson, Dale Singleton, Lutherna Garrett, Judy Henson, Kay Allen, Miss White, Mrs. Hill.

Cardinal Staff

The staff has worked very hard, had great fun, and sincerely hopes that you will like the 1959 Cardinal. Checking and double checking the spelling of names, drawing layouts, meeting deadlines, helping the photographers make pictures, identifying group pictures, typing copy, and proofreading, too many hours of our school time. However, planning and editing the 1959 Cardinal has been one of the most pleasant experiences of our year. We have worked to make it an accurate record, a treasure chest of memories and a yearbook that will be a credit to our school.

Advertising Staff

Advertising staff: Anna Sue Bryant, Connie Martin, Mr. Blacker, Trudie Kirk, Jimmy Great-house.

Third Row: Wendell Webb, John Crouch, Herb Wilson, Jimmy Davis, Wendell Lacefield, Ronnie Martin.

Science Club

Our Club has been very successful this year under the direction of Mr. Lyman Greer. We are very grateful for the time our sponsor has taken to help us with various projects. The purpose of our club is to have a better understanding of science and to be familiar with cameras.

First Row: Mike Keasler, Frank Healy, Keith Edwards, Everett Howard, Robert Healy, Bob Hesterly.
 Second Row: Mr. DeJarnett, Cletus Roy, Jim Greathouse, Herbie Wilson, Sammy DeLap, Glenn Phelps,
 Jerry Thurman, Andy Herron, Bill Blythe, Bobby Whetsell.

Projectionists

The projectionists are supervised by Mr. DeJarnett and are chosen every year from each library class in the school.

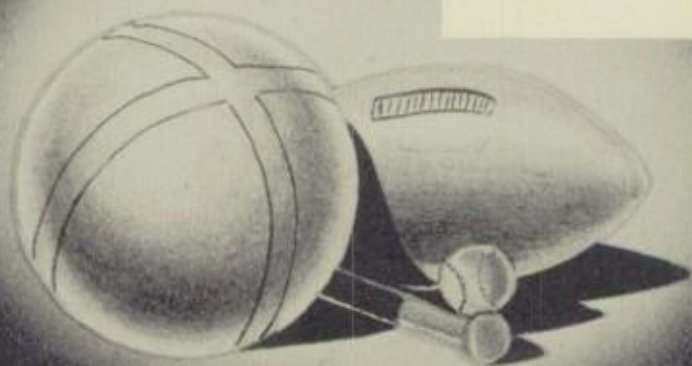

After the boys learn how to operate the projector, they are ready to show to the various classes, the educational and recreational films which come to our school each week. The boys also show films at class parties and other activities held at our school during the year.

Football

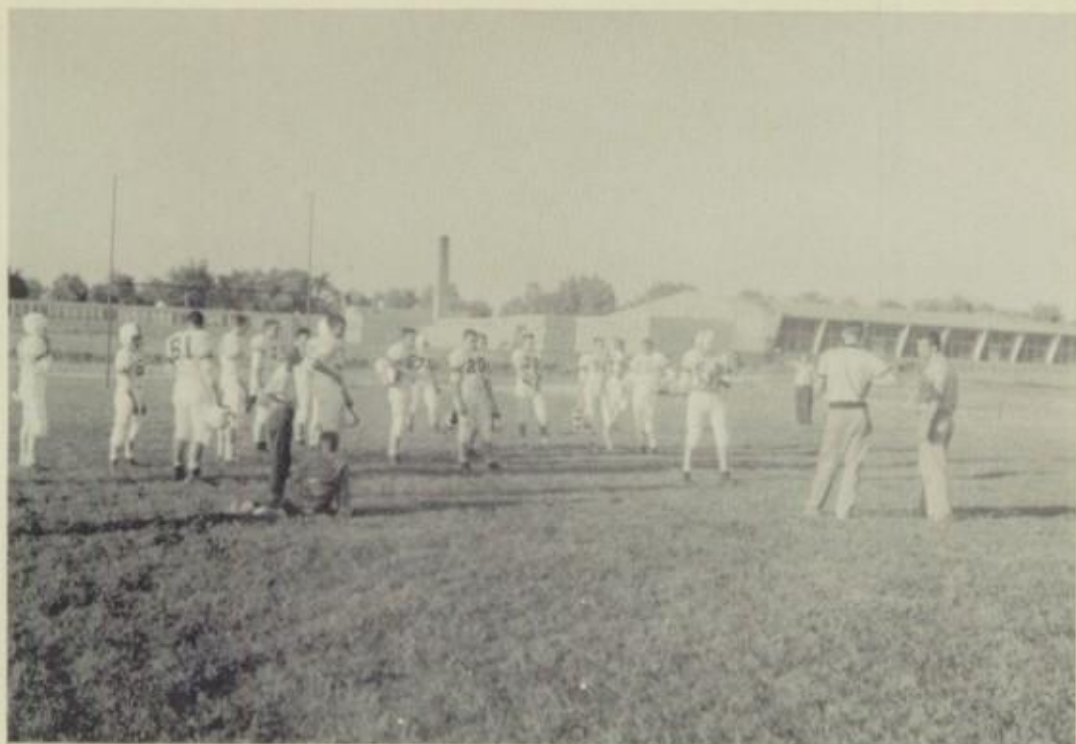

The Cardinal Varsity Football teams journeyed to Palestine for the opening tilt of the 1958 grid iron season. After numerous incidents, including the stalling of two buses and a one hour delay because of light failure, the Cardinal eleven were defeated by Palestine 39-6. The Cardinal's first touchdown of the year was scored by senior end Larry Pleasant.

The Cardinals played one of their better games against a strong Johnson City eleven. Through rain and mud the Cards battled on even terms with the Indians before finally succumbing to a 19-6 score.

Norris City's first home coming football game was played against the McLeansboro's Foxes. Lead by an all state transfer student from Kansas, who was playing in his first Illinois football game, the Foxes came out on the long end of a 26-0 score. During impressive halftime ceremonies Miss Anna Sue Bryant was crowned Norris City's first Home Coming Queen by senior captain, Melvin Douglas.

On November six Norris City seniors closed out their High School career in a blaze of glory. Playing an inspired brand of football, they almost upset Carterville; the final score standing 27-19 in favor of Carterville. Junior end Mike Keasler turned in one of the year's most outstanding individual performance in this game. He grabbed 10 passes, several of them on spectacular catches.

Coach Spratt had a difficult task and handled it very well. He had the boys playing heads up ball all the time. Even though the Cardinals failed to win a game, the opposition could truthfully say they had played a game with a fighting team.

Basketball

The Varsity Basketball team with Coach Frank Blackman at the Helm got away to a blazing start. They won their first three games of the season, suffering their first defeat at the hands of arch rival Carmi by a 68-51 count. Entering Bridgport Holiday Tournament with a 4 won and 3 lost record, the Cardinals proceeded to capture top honors in the consolation bracket. They copped the crown by turning back a good Allendale five by a 61-57 score.

In January the Cardinals took third place in the McLeansboro Blind Tournament. They lost their opening round game to a hot shooting McLeansboro team. They rebounded in the consolation game dropping Albion's lions, 69-67. During the tournament two cardinal regulars hung up their jerseys, however, the rest of the team soon took up the slack.

The Cardinals got off to a slow start in the Southern Illini Conference, losing their first five games; however, they rebounded to win two of their last three games. At the finish of the season they were in fourth place in the five team conference, the holders of a two and six record in conference play.

At the end of regular season play the Cardinals had an overall record of 14 wins and 11 losses. Everything taken into consideration, one would have to say the season was a success and was brought about by the hard work and good sportsmanship of the team and Coach Blackman.

Managers; Bill Spence and Ronnie Tarrent.

Second Row: Evertt Howard, Jimmy Davis, Danny Crunk, Joel Morehead, Donnie Williams, John Hatfield, Terry Bower. Third Row: Mickey Colbert, Stanley Austin, Frank Healy, Bobby Hesterly, Glen Phelps, Keith Edwards, Gerald Mayberry, Jerry Cathey.

Junior Varsity Basketball Team

The Junior Varsity Basketball team, under the direction of Assistant Basketball Coach Bill Spratt, took part in the Southern Illinois Conference for the first time. They had a record of two wins and six losses in the Conference, but the record is very deceiving. The Junior Cards played very good ball but the breaks seemed to go against them. One of the high points of the season was a smashing upset of a highly regarded Eldorado five. Outside of the Conference Coach Spratt's charges turned in a record of 4 wins and 8 losses, giving an overall record for the year of 6 wins and 14 losses. The bright showing of the Freshman-Sophomore teams gives the Cardinal fans something to look forward to.

Mary Whiteside, Sue Bryant, Trudie Kirk, Kay Moye.

Varsity Cheerleaders

The four varsity cheerleaders made a very cheerful reason for the peppy crowds this season. The varsity cheerleaders are chosen from the three upper classes. The cheerleaders traveled far and wide with the team---cheering team on to new victories. These four pert and peppy girls spent many hours practicing routines, jumps, and flips.

First Row: Mr. Frank Blackman, Coach, Ernest Midkiff, Micky Colbert, Phil Warren, Cleatus Roy, Joel Morehead, Richard Herron.
 Second Row: John Crouch, Larry Pleasant, Glen Phelps, Jim Greathouse, Ray Henson, Richard Gidcumb.
 Third Row: Ronnie Austin, Wendell Webb, Bob Hesterly, Mike Keasler, Terry Bower, Jimmy Davis, Freeman Johnston, Doyle Mayberry.

Baseball

The Baseball team headed by Coach Frank Blackman should enjoy a very successful season. The Coach has six returning lettermen to build his team around. Add to this a fine group of underclassmen and one realizes the potential of the team. Six of last years starting nine have graduated, but no difficulty is anticipated in replacing them. The Cardinals possess two of the most outstanding power hitters in this area is Mike Keasler and Jim Greathouse. With these two boys to bulwark the team, it should be a banner year of good, exciting baseball at Norris City.

 Third Row: Bobby Whetsall, Jim Davis, Donnie Williams, C. M. Awalt, Glen Phelps, Evertt Howard, Wendell Webb, Bobby Hesterly, Donald Austin, Danny Crunk, Jerry Cathey, Richard Gidcumb, Sam DeLap.

Track

Led by our new Coach, Bill Spratt, the Varsity Track team will take to the cinder track this spring. After an absence of nearly a decade, track returned to Norris City three years ago. In the first two years of competition, the Cardinals have compiled a commendable record while winning their share of the meets. This year should be a very good one for Coach Spratts charges. He has at his service a number of individual stars. These returning lettermen are being bolstered by a banner crop of under classmen. His outstanding boy should be senior speedster Jim Greathouse who last year copped two seconds in the Regional Meet at Charleston.
